Guidelines to Submit to Sable Grey, Literary Agent

At this time I am seeking full length historical, paranormal/urban fantasy, and contemporary suspense romance and sensual romance. I'm not actively seeking erotic romance at this time but would consider a well written manuscript of the same subgenres. I am not accepting gay or lesbian romance at this time.

I only accept electronic queries sent to sqlitagency@gmail.com

Failure to adhere to the guidelines below could result in your query being recognized as spam and never reaching me.

Subject line should include the word "query" as well as the title and genre:
QUERY/TITLE/GENRE.

Email query should **not** contain email attachments. The body of the email should be a one page letter with the author name, title of the manuscript, genre, and word count at the top. The letter should include a summary of the story and all pertinent information about the author, including publications, contest wins, and career goals.

The summary of the manuscript should let me know the following: Who are the main characters? What is the plot of the story? What is the major conflict/black moment in the plot? And how is the happily ever after obtained?

All replies will be through email.

*Response time for queries is two weeks.

What to Expect:

If the story summary interests me, I will invite a submission of a synopsis and the first three chapters. I will only accept electronic submissions and any attachments must be sent in rtf format only. No unsolicited manuscripts will be read.

Subject of the email should include the words "partial submission" as well as the title and author name: PARTIAL SUBMISSION/TITLE/AUTHOR NAME

Synopsis should be in the body of the email, the requested chapters attached in rtf format.

In the first partial submission, if so requested, I shall be looking for fully developed characters, story and romantic pacing, and maturity of craft.

*Response time for requested partial submissions is two months.

If I request a full reading, the manuscript should be emailed as an rtf attachment, preferred in 12 point Courier New font. The first page of the manuscript should include the title, word count, genre and subgenre, author name, mailing address, phone number, and email address.

In the subject line of the email, include the author name, title of the manuscripts, and the words "full submission": FULL SUBMISSION/TITLE/AUTHOR NAME

*Response time for requested full submission is 5 months.

**Response times are estimates only and apt to change due to the volume of queries and submissions.*
